Dear Mr. Tzamarot:

This is a long overdue letter to thank you and your staff for an outstanding job during our move in December and January. Your staff, and most notably the foreman Ronen, demonstrated extreme patience, dedication and professionalism throughout the job, even during extremely difficult periods. Most importantly, your staff respected the delicate nature of aspects of the move and took careful precautions with the walls and floors of our newly renovated Museum.

On behalf of all the staff at the Jewish Museum, you made a very difficult transition easier for us and at times fun.

Please feel free to use me as a reference when needed. We hope to see you at the Museum's reopening in June.

Best wishes,

Samantha H. Gilbert
