Subject: THANK YOU!

Dear Jason and Shareen,

Now that the dust has settled, I just wanted to take a moment to let you know how thankful we were to have Shleppers' support as part of the Park Avenue Christian Church Day School Annual Benefit. Your generosity did so much to ensure the ease and success of the benefit! The movers were so cordial and efficient, and your logistical support was so clear and helpful! It was such a relief to have your team's expertise to keep us on track as we moved so many items back and forth.

Thank you for your generosity, your excellence, and your expertise. We were truly grateful! Our Head of School thanked Shleppers within her speech, and Shleppers was thanked on all the posters and literature, but I also wanted to write and reiterate our appreciation.

With thanks and best wishes,

Becka
