Dear Jason,

On behalf of Westchester Jewish Community Services we would like to thank you for your kindness. Shleppers by providing services on October 3, 2012 enabled Kid's KLOset to continue their mission. This was the foundation for helping over 750 local needy children to receive clothing, shoes, diapers and related items free of charge in just 3 months. We are truly grateful for your support.

Kid's KLOset is a program of Westchester Jewish Community Services (WJCS), that provides children in need with gently-used clothing and essentials including strollers and carseats. Kid's KLOset solicits donations, which are passed on free-of-charge to local families who live below the federal poverty level. In Westchester, nearly 12% of children age 0-18 years of age live in poverty.

Westchester Jewish Community Services is a 501 (c) (3) nonprofit organization. Your contribution is tax deductible to the extent allowed by law. No goods or services were provided in exchange for your in-kind donation.

Thank you, again, for thinking of WJCS.

Sincerely yours,

Carol Corbin
President
