Dear Jason,

Thank you so much for having Shleppers participate in our YPO Metro New York holiday party. At the party we collected toys, books and clothing for deserving people in New York City. Your donation of boxes, packing tape and a moving crew greatly assisted with the delivery of these goods. With Shleppers help, we were able to have all of our donations collected the day after our event and delivered to the venues where they were immediately given out to those in need.

Kindest Regards,

Meridith J. Egyes
